

# ADTBJA and The Hangar Add Monday Jams

On Monday, July 12, 2010, ADTBJA and The Hangar Restaurant and Flight Lounge began a partnership and started having a Jazz Jam on the first Monday of each month.

Almost exactly six years later, this partnership, at the request of Steve Westphal, owner of The Hangar, has grown into having a Jazz Jam every Monday, even fifth Mondays.

(October will have a fifth Monday and it will be

Halloween. Get your costumes ready and be prepared for a hauntingly jazzy evening!)

The ADTBJA Monday Night Jazz Jam has proved popular from the beginning,

enough to grow from first Mondays to first and third Mondays and now to every Monday.

Steve Westphal, who is known for his many fine restaurants, told us he wanted The Hangar to have a reputation for having great jazz every Monday.

ADTBJA feels it is a perfect partnership. We can furnish the great jazz. Steve

can provide the great venue. We can hire more musicians. Steve gets an increased Monday night patronage at The Hangar.

If you haven't already been to one of our jams, we urge you to do so. It's great fun, good food and beverages, and a friendly jazzy crowd.

Thank you, Steve, for giving us another opportunity to keep jazz alive!
